2. Paul _____ the false Gospel of men

Paul was steeped in the gospel of man. After Jesus revealed himself, Paul did a 180 degree turn. Paul _____ to the Gospel of God and _____ the gospel of men.

After Paul's salvation, there was a period of three years before he went up to Jerusalem to see Peter and James. Before that Paul did not consult with anyone, nor did he go and see the other Apostles instead he went into Arabia for 3 years. So the question is what was Paul doing in Arabia?

**Paul fled the gospel of men.
He did not want to have anything to do with it.**

Who is teaching you? Are you being taught by the Holy Spirit or by man's gospel?

3. God's gospel brings _____ change

After meeting Peter and James, Paul began sharing the Gospel in the regions of Syria and Cilicia. **Why was this such a big deal?**

_____ in the Judean churches had _____ the transformed persecutor to preacher... They only _____....
What did they _____? Vs 23

What do our lives say about the faith that we say that we have? Is it truly God's Gospel or mans? Has it brought about real observable change?
