

**What Grace Will Not Tolerate**  
**Galatians 2:11-16**

Grace is a free gift from God. We are saved by grace and not through good works. But do we admit that we can grow only by that same grace? Do we believe that we need His grace each and every day, as much as we did at the beginning of our relationship with Him?

Peter as we will see in this passage was using grace in the wrong way and at the same time promoting a false view of grace and a false view of salvation that Paul had to correct. Grace is not a word that we can throw around to do whatever we want to do and act any way we want to act.
